

# TABLE OF CONTENTS

---

<b>Acknowledgements</b> .....	15
<b>Foreword</b> .....	16
<b>Introduction</b> .....	18
<b>Our Story</b> .....	25

## Chapter 1

### From Reaction to Pro-Action:

<b>Recognizing and Making Sense of Common Food Reactions</b> ..	35
What are some of the symptoms, conditions and diseases that can be caused by food? .....	36
What are the most common foods that cause symptoms, conditions and disease? .....	39
What are food allergies and sensitivities? .....	40
Food sensitivities—the great masqueraders .....	42
We become addicted to the foods to which we react .....	45
Why are food sensitivities and allergies so common these days? .....	46
What causes food allergies? .....	51
What causes food sensitivities? .....	52
Will my child outgrow their food allergies or sensitivities? .....	53

## Chapter 2

### Getting to Know All About You: Understanding the Culprits

<b>in Foods and Other Substances and the Healthier Alternatives</b>	55
Dairy .....	56
Red Meat .....	60
Wheat/gluten .....	61
Sugar .....	63
Soy .....	65
Yeast .....	66

Corn .....	67
Citrus fruits .....	67
Grapes .....	68
High carbohydrate/starch/sugar vegetables and fruits .....	68
Nuts .....	68
Eggs .....	69
Fish .....	70
Chocolate .....	70
Food groups .....	71
Food families .....	72
Soft drinks .....	72
Chemicals, Colourings/Food Dyes, Additives, Preservatives .....	72
Vitamins .....	78
Prescription Drugs .....	78
Vaccinations .....	79
Alcohol .....	81

## Chapter 3

### The Dirty Laundry List: Symptoms, Conditions and Disease

<b>Caused by Reactions to Food</b> .....	83
Physical symptoms .....	84
Chronic ear infections .....	84
Skin infections/diaper rash/eczema .....	85
Colic/Excessive gas .....	86
Diarrhea .....	87
Fatigue .....	87
Headaches .....	88
Bloating .....	89
Muscle aches and pains .....	89
Joint pain .....	89
Nausea .....	89
Stomach-aches .....	90
Sore throat (Pharyngitis/Laryngitis/Tonsillitis) .....	90
Bed-wetting .....	91
Common cold .....	91
Asthma .....	92
Overweight/obesity .....	93
Celiac disease .....	95
Non-inflammatory bowel diseases: Irritable bowel syndrome .....	96
Inflammatory bowel diseases (IBD): Crohn's disease and Ulcerative colitis .....	96

Juvenile Diabetes . . . . .	97
Mental symptoms . . . . .	97
Moodiness/bad temper/depression/anxiety/aggression . . . . .	98
Fuzzy thinking and learning disabilities . . . . .	99
Attention Deficit Disorder (with or without hyperactivity) . . . . .	99
Autism . . . . .	100
Epilepsy . . . . .	101
Dysbiosis, Candida, Hypoglycemia, Parasites, Low Stomach Acid . . . . .	103

## Chapter 4

<b>Good Riddance: The Importance of the Elimination of Toxins</b> . . . . .	115
Ideal elimination . . . . .	117
Common bowel problems . . . . .	118
What is constipation? . . . . .	118
What are transit and reaction times? . . . . .	119
What are some of the more well-known causes of constipation? . . . . .	121
What are some of the less well-known causes of constipation? . . . . .	121
How do you eliminate your child's constipation? . . . . .	122
Methods for cleansing your child's body . . . . .	123
When your child is holding in bowel movements . . . . .	124
Toilet training your child who is or was chronically constipated . . . . .	127
Coping with your child's painful symptoms . . . . .	127

## Chapter 5

<b>The Secret's Out: How to Prevent, Detect, Minimize and Eliminate Reactions to Foods</b> . . . . .	133
Preventing and minimizing reactions to foods . . . . .	133
Pre-pregnancy . . . . .	133
In utero . . . . .	133
While breastfeeding or formula feeding . . . . .	135
When introducing solids . . . . .	137
Understanding your infant's body . . . . .	138
Order of Introduction . . . . .	139
Method of Introduction . . . . .	141
Once your child is able to chew his or her food . . . . .	141
Steps to Optimal Digestion . . . . .	141
A Rotational Diet . . . . .	142
How do you detect your child's food sensitivities and allergies? . . . . .	144
Detecting food sensitivities and allergies in a child . . . . .	144
Detecting food sensitivities and allergies in a baby that is exclusively breastfed . . . . .	146

Eliminating reactions to foods ..... 151  
 What do you do to eliminate your child's food sensitivities? ..... 151  
 What do you do to eliminate your child's allergies? ..... 152  
 Ten smart strategies for avoiding symptoms, conditions and disease .. 153

**Chapter 6**

**Eat This! How to Feed Your Child** ..... 165  
 Foods to limit or keep away from your child ..... 167  
 Foods to feed your child ..... 167  
 Children's breakfast ideas ..... 170  
 Children's snack ideas ..... 173  
 Children's lunch or dinner ideas ..... 175  
 Children's one week menu plan ..... 178  
 The need for treats ..... 179  
 Supplements to feed your child ..... 185  
 Probiotics ..... 185  
 Essential Fatty Acids ..... 187  
 Minerals ..... 190  
     Magnesium ..... 191  
     Zinc ..... 193  
 Supplements for digestive system ..... 194  
 Vitamins ..... 196  
     C ..... 196  
 Integrating improved nutrition into your family's lifestyle ..... 197  
     Setting up your kitchen ..... 198  
     The cost of feeding your child healthy foods ..... 199  
     The amount of work involved in feeding your child differently .... 200

**Chapter 7**

**Let's Talk About it! Recommendations for Effectively**  
**Communicating About Feeding Your Child Differently** ..... 203  
 Communicating with your child ..... 204  
     Step #1 Education ..... 204  
     Step #2 Trust ..... 205  
     Step #3 Communication ..... 205  
     Step #4 Confidence ..... 215  
     Step #5 Encouragement ..... 217  
     Step #6 Set an Example ..... 218  
 Communicating with other members of your immediate family ..... 221  
     Communicating with your food-reactive child's siblings ..... 222  
     Communicating with your spouse ..... 225

Taking care of yourself .....	227
Communicating with others .....	233
Communicating with other family members, friends and acquaintances	233
Communicating with older generations .....	234
Communicating with others that are caring for your child .....	235
Communicating with your child's doctor(s) .....	236
Your child talking to others .....	237

## Chapter 8
